

Looking for that special holiday, birthday, wedding or anniversary gift?

Dear Friend,

We of the Developed World are blessed with such abundance. Now, Xela Aid is making it easier than ever to **share the blessings of the developed world with those less fortunate each time you give a gift!** You can choose to support a doctor, nurse, or midwife for a month, or our pre-school for a week or more, among other selections, **in the name of someone special!**

You will receive beautifully printed gift cards featuring the children of San Martín (pictured at right, 1/4 size) with your gift selections noted on the back. Each gift card includes space for a personal note and your signature. The gift cards will be sent directly to you so that you may pass them along personally to family and friends as your gift.

Following you'll find the mail-in form you you'll need to fill out in order to purchase Gift Sponsorships. (For multiple recipients/gift cards, please make multiple copies of the form.)

May you and your family and friends experience the joy that comes from knowing you have shared your many blessings with others! **Thank you** for your support.

Warm regards,
